Technical Note January 25th, 2021

IE11 support to be dropped in ENA v19.0

Entuity has currently scheduled ENA v19.0 for release at the beginning of Q2 2021. Please note that from ENA v19.0 onwards, ENA will no longer support Microsoft IE11 and will instead focus on providing a better experience on more modern browsers.

Please contact Entuity Support if you have any concerns.
